

Intervals on Guitar Neck

Standard tuning

Simple

Musical notation for Simple intervals on guitar neck. The staff shows 12 intervals: m2, M2, m3, M3, P4, A4/d5, P5, m6, M6, m7, M7, and Octave. The guitar tablature below shows the fret numbers for each interval starting from the 5th fret.

Interval	Fret 1	Fret 2	Fret 3	Fret 4	Fret 5	Fret 6	Fret 7	Fret 8	Fret 9	Fret 10	Fret 11	Fret 12
m2	5	6										
M2	5	7										
m3	5	8										
M3	5	4										
P4	5	5										
A4/d5	5	6										
P5	5	7										
m6	5	3										
M6	5	4										
m7	5	5										
M7	5	6										
Octave	5	7										

Compound

Musical notation for Compound intervals on guitar neck. The staff shows 12 intervals: b9, 9, #9, M3, 11, #11, P5, b13, 13, m7, M7, and Octave. The guitar tablature below shows the fret numbers for each interval starting from the 5th fret.

Interval	Fret 1	Fret 2	Fret 3	Fret 4	Fret 5	Fret 6	Fret 7	Fret 8	Fret 9	Fret 10	Fret 11	Fret 12
b9	5	6										
9	5	4										
#9	5	5										
M3	5	6										
11	5	7										
#11	5	4										
P5	5	5										
b13	5	6										
13	5	7										
m7	5	8										
M7	5	4										
Octave	5	5										

Diagram of guitar neck fretboard showing interval positions. The fretboard is divided into four sections by vertical lines, labeled 3, 5, 7, and 9 at the bottom. Intervals are marked with circles on the fretboard. Red circles indicate the root note (R) for each section. Black circles indicate other intervals.
